Month of Sacred Heart

The Month of June is dedicated to the Sacred Heart. However, this year the Feast of the Sacred Heart falls on May 30 since Lent began very early this year. The Church celebrates the Solemnity of the Sacred Heart of Jesus on the Friday following the second Sunday after Pentecost. In addition to the liturgical celebration, many devotional exercises are connected with the Sacred Heart of Jesus. Of all devotions, devotion to the Sacred Heart was, and remains, one of the most widespread and popular in the Church.

Understood in the light of the Scriptures, the term "Sacred Heart of Jesus" denotes the entire mystery of Christ, the totality of his being, and his person considered in its most intimate essential: Son of God, uncreated wisdom; infinite charity, principal of the salvation and sanctification of mankind. The "Sacred Heart" is Christ, the Word Incarnate, Saviour, intrinsically containing, in the Spirit, an infinite divine-human love for the Father and for his brothers.

Jesus, who is one with the Father (cf. John 10, 30), invites his disciples to live in close communion with him, to model their lives on him and on his teaching. He, in turn, reveals himself as "meek and humble of heart" (Mt 11, 29). It can be said that, in a certain sense, devotion to the Sacred Heart of Jesus is a cultic form of the prophetic and evangelic gaze of all Christians on him who was pierced (cf. John 19, 37; Zac 12, 10), the gaze of all Christians on the side of Christ, transfixed by a lance, and from which flowed blood and water (cf. John 19, 34), symbols of the "wondrous sacrament of the Church" (St. Augustine).

SUMMER VACATION

New Ending!

Msgr. Francis V. Cillia

Summer is here! The long days and warm weather tell us that school will soon be out, that early morning breakfast – before school – and late hours of homework – after school – will be just part of our memories for the next few months. It's time for picnics, camping, trips to the beach, and vacation to places near, like Great America, place in between like Disneyland or places even as far as Korea.

Summer is here and you will be home a lot more than usual; you will be home with each other without the rules of the classroom or schoolyard. You will be with your sisters and brothers, your cousins and friends; you will be having a good time, I hope. In your time together, you will be spending more hours driving each other crazy, driving your parents crazy – if you don't think about what you are doing first.

In the days of summer, I exercise and that you are outside in the fresh air. But to read, so you don't have September.

On the Sundays of summer, we still celebrate Jesus' gift go on vacation from this, School. When you are away always a Catholic church get to Mass on Saturday evening are home, we will be waiting Martyrs Parish. When you are not here, the church seems empty and our community seems sad. Every one of you is an important part of our parish community, our church family. Please don't take a vacation from Jesus and his family!

In August, we will have Vacation Bible School again. I hope that your family schedule will make it possible for you to be part of it. I do not know what theme is this year, but I am sure it will be a time for your to come closer to Jesus and to his people. I and all of your friends at Holy Korean Martyrs Parish will be looking for you every Sunday. How could we ever find a better way to thank God for all the gifts that God has given to us than to be with one another in our prayer and our singing? Remember: Every Sunday at 1 p.m. See you then!

Did you know?

Person of the month is Kevin Kwon, who will be transferring to U of San Diego this fall.

Most of us are excited for the beginning of the summer and prepare for summer excitement. But some are excited for the different reason. They are starting new era of their life, new beginning, and new college. This year, six of Lifeteen members are moving to various cities for college. One Lifeteen staff member, Kevin Kwon, is one of them. He has helped our community and our program at our Holy Korean Martyrs Catholic Church for past years.

Kevin Kwon, a current sophomore at De Anza College, transferring to University of California San Diego in the fall. He said that the best way to categorize himself is a member of this Catholic Church community, a family member, and a student.

As a staff member in Lifeteen, he is a Teacher at the San Jose Korean Catholic church. He teaches 9th/10th grade along with Susan Shin, and Richard Jin Kim.

On the question about the service at the church, he replies as “What I feel through service is a ‘giving back’ from all that I have received throughout all the times when I was student in Sunday school and NCKCYM church summer camp. I feel like I can relate my experiences into a positive message to the students at San Jose church”.

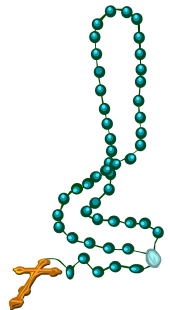

As he prepares another endeavor, he passes on a message to the rest of Lifeteen, “I feel like Lifeteen is a unique community that many people take for granted. No where else can one partake in such a vibrant community filled with love and brotherhood. It is a big rock that shaped my life as it is now, and I feel through Lifeteen, like many others, that this is a great stepping stone in our journey as Catholics.”

Other Lifeteen members who'll be leaving us:

Justin Kim	Anna Seo	Clara Jin
Hannah Kim	Jeanna Ko	

We'll miss you guys!!! May God guide you and lead your way.

**Remember to include these friends in your prayers!!
